

Abundant Blessings Part 6

“The young lions do lack, and suffer hunger: but they that seek the Lord shall not want any good thing.” Psalms 34:10

Often do to extremely long dry spells or shortage of food, young lions will sometimes go for days without eating. The Bible refers to those times as suffering hunger. It refers to not having the sufficient amount of food to remain healthy. The elements of nature can sometimes seem cruel and unfair.

In the Animal kingdom this is a normal part of the cycle of life.

But in God’s Kingdom it is different. God has more than enough to meet our every need in life. We cannot even comprehend the riches God holds in just one hand. In His Word we find promise after promise of His unlimited supply, favor and blessing. I promise you there is not a drought in the place of God’s provision.

The above Scripture reveals the avenue of God’s abundant blessings. First, we must seek God by inquiring who He is, what He desires and how we can please Him. Simply put, God is everything we need. He desires our love and fellowship. He is pleased when we live holy, serve faithfully and give wholeheartedly to His work. Then, we acknowledge our need and ask for His help. God loves for us to remind Him of what His Word promises and provides. We have the things of God, only when we seek and ask.

Once these things have been done, then the Scripture says we will not lack any beneficial things in our lives. No matter what happens in the world we are covered in God’s Kingdom if we follow His instructions. God cares for all His creation but way more so when it comes to His children. Why go lacking when you can live in Abundant Blessings?
