

HPT WOMEN'S MINISTRY —THE KING'S DAUGHTERS

Hello ladies, I hope and pray that you all had a very special Christmas! It's time for The King's Daughters to start off our new year (2009) with our first meeting on Friday, January the 23rd at 7:00pm. We have a lot of catching up to do since we did not meet in December because of the busy Christmas season. The last time we were together, several ladies expressed a desire to be water baptized. Therefore, at our next meeting this will be one of our top priorities. We have recently seen many lives touched by the Holy Spirit and souls saved and rededicated at HPT, in supporting our sisters in water baptism will be another way to give God glory and prepare our hearts for revival and His return!! In addition to water baptism, we are going to be dedicating January as a month of prayer and fasting led by Pastor Glenn Mills.

Over the next few meetings we are going to be discussing:

~ **Setting Godly goals to accomplish the vision that God has for our lives.**

~ **The importance of how everything we do and say is a witness to the ones**

around us.

~ **Women and their relationships (with parents, children, husbands, as a single woman etc...)**

~ The purpose of sexual purity.....Exposing the consequences of the consequences of the world's immoral lifestyle. (Teenage girls are highly encouraged to attend this session, and written permission by their parents is requested.)

Make plans now to attend the next meeting and lets support our sisters in Christ in reaching our inheritance as Daughters of the King!!!!!!!!!!!!!!!!!!!!!!

For future reference, all of our meetings are going to be the forth Friday of each month unless otherwise indicated, so let us purposely dedicate these times to the Lord beforehand for His Glory!!

Please email Cheri Gray at gray7176@nc.rr.com if you need to ask any questions or have any concerns.
